OPEN Health HTML/CSS test

Please recreate the mockup below in pure HTML and CSS or Sass.

Notes

- The font used is Lato

- For the image use http://placekitten.com/300/300

- Feel free to implement any interaction states you wish

- Please provide a short explanation of your approach, and anything else you may consider when coding this.

- Please explain how you might approach extending this block to be reusable.

- Please provide your code and comments via a CodePen or GitHub link.

Kittens

Kittens are cute and fluffy and I like them a lot.

Actually, I *love* them.
